IN OTHER RELATED NEWS -

Bob Meegan submitted his updated and enhanced “*The United States Large Bank Note Issues Move the Mail*” 10-Frame Exhibit at the 133rd Annual Garfield-Perry Stamp Show in Strongsville, Ohio, on March 17-19th. There were 34 exhibitors with a total of 170 frames, 33 dealers at their show, and is an APS World Series of Philately (WPS) qualified show.

Bob’s exhibit earned a Gold Medal and a United States Philatelic Classics Society Medal for Excellence in Postal History. Congratulations Bob!!

MORE RELATED NEWS –

The Military Postal History Society (APS Affiliate #19) is publishing a 96-page Monograph later this month titled: "*American Aid for German Prisoners of War, A Postal History*". They are excited about this publication for various reasons, but wanted to specifically inform us about it because it tells the story of a long-time respected Buffalo Stamp Club member and one of America's most impactful philatelists, Emil Auer. Emil was very fond of his association with the Buffalo Stamp Club and was excited when he was extended life membership even after having moved to Tacoma, Washington.

If anyone has interest in purchasing a copy, they could contact Harold Krische at hikrische@gmail.com for further information. The Military Postal History Society web site will also feature info related to the publication soon, and we anticipate that the APS will also be distributing this publication. It is likely that the per copy price will be \$27.50 plus shipping.

As an added bonus, the Military Postal History Society is awarding a copy of the Monograph to the recipient of this year's Emil Auer Trophy Award winner, Deborah Grande. Congratulations Debbie!!
